

# ANSARI IMRAN

CyberSecurity | Application Developer | Cloud Computing

+91 9820302198 • mimran.a10301@gmail.com • LINKEDIN. • GItHUB • Mumbai, India 400043

## Summary

A strong background in cybersecurity and application development is presented, underscoring a commitment to enhancing digital security practices. Enthusiasm for leveraging technical skills in real-world scenarios is evident, complemented by hands-on experience gained through internships and projects. A dedication to continuous learning and improvement aligns well with the objective of creating safer online environments, aiming to contribute effectively to the mission of protecting vital data and infrastructure.

## Skills

Technical Skill: • Cybersecurity • Application Developer • IOT • Cloud Computing • Management

language • Python • Dart • C/C++ • Javascript • Your Skill

Framework: • Flutter • MERN STACK

Platform: • Burpsuite • Colab • Pycharm • Visual Studio Code • Jupyter Notebook • Github • Docker • Arduino IDE • AWS • Azure • Google AI Studio

Tools: • Wireshark • Nessus • Virustotal • Colab • Pycharm • Visual Studio Code • Jupyter Notebook • Git vcs • NMAP • JADX

Soft Skill: • Project Management • People Management

## Experience

### MSD Engineering(App development)

Flutter Developer - Intern

01/2025 - 03/2025

- Learn and Develope Flutter application

### Hacktify Cyber Security

CyberSecurity - Intern

02/2025 - 03/2025

- This enhance my cyber security experince and allow me to implement in Real life

### ACM Student Chapter - MHSSCE

Member of Sponsorship

08/2024 - Present

- Prioritized and organised tasks to efficiently accomplish service goals.
- Completed routine maintenance and repair.

### MasterMindz Global

Founder's Office Intern

12/2024 - 03/2025

- This allows me to immerse myself in dynamic projects and learn from innovative minds.

## Projects

### PC Configuration Application

01/2023 - 05/2023

PC's part Configuration Application

- An application that guides through the tedious process of configuring a personal computer.

### Object Detection With Dimension

01/2025 - 04/2025

This to find the object & it's dimension

- What was a successful outcome of your work? (e.g. Raised \$3,000 for the charity)

### 3D Webpage Code Generator

08/2023 - 12/2023

A chatbot for generating website code.

- A Google Gemini AI-powered chatbot that generates code for a website based on user prompt.

### Movie Recommendation Website

07/2024 - 10/2024

Movie suggestion application

- API base web application that guide base on previous watched movie and genres selection.

## Education

M.H. Saboo Siddik College of Engineering

Byculla, Mumbai

Bachelor's of Engineering

09/2022 - Present

N.G. Acharya & D.K. Marathe

Chembur, Mumbai

HSC

06/2020 - 03/2022

Education

Lokmanya Tilak High School SSC	Tilak Nagar,Mumbai 06/2015 - 03/2020
